

Life at Bucks Hubs post Lockdown

Together we can move forward.

Hello there ...

It's been a challenging few months but we are all keen to get back to a 'new normal'.

We have made some changes to the Hubs to make it as safe as possible for this to happen. This includes new signage, hand sanitiser stations and an increased cleaning regime.

You can find out more via our website bucks-hubs.co.uk.

Our space ...

To help you with your transition from home to working in our Bucks Hubs, we have also updated our packages.

- One month free trial on all products
- Dedicated desk prices from £195 p/m
- Temporary removal of deposits for dedicated desks and coworking packages.
- Unlimited usage on our coworking memberships starting from £175 p/m.
- Reduced drop in day rate to £10 per day
- Excellent offers available on private offices including high grade IT & Telephony

Our support ...

As part of the Bucks Hubs and Oxford Innovation network you will have access to our Business Support hotline, which can provide you with guidance on various topics during these unprecedented times.

- Resilience & continuity planning
- Rapid-scale and re-mobilisation support
- Mental health and well-being provision
- Financial modelling assistance
- Business re-modelling sessions
- Scenario planning help
- Market and competitor review
- Restructuring support
- Contract and supply chain review
- Practical support from partners e.g accountants
- Seminars on recovering from COVID-19
- Access to a like-minded community for support
- Honest sounding board

Ring the Business Support Hotline on 01865 261 500 or email oibizsupport@oxin.co.uk

Our support continued ...

As well as the hotline support, you also have access to the below links. This support is available at no cost to any business in Buckinghamshire.
